

## Label Editor

Use the **Label Editor** to create mandatory product and packaging label files (.svg) for the United States, European Union, and other countries.

### United States Templates

- CPSIA Tracking Label
- Textiles Label
- Country of Origin Label

### European Union Templates

- General Product Safety Directive (GPSD) Label
- Textiles Label
- Low Voltage Directive Label
- EMC Directive Label
- Radio Equipment Directive Label
- RoHS Directive Label
- Toy Safety Directive Label
- PPE Regulation (EU) Label
- Ecodesign Directive Label

### General Label Editor

You can also use the general label editor to create certificates and other documents for which we don't have an existing template.
